

Proposed Permit Condition for Idaho Dischargers

XX. Regional Toxics Task Force

The goal of the Spokane River Regional Toxics Task Force (Task Force) is to develop a comprehensive plan to make measurable progress toward bringing the Spokane River into compliance with applicable water quality standards for PCBs.

To accomplish this goal, the Permittee shall participate in the Task Force under the terms and conditions of the January 23, 2012, Memorandum of Agreement Regarding Spokane River Regional Toxics Task Force and the Operational Concepts incorporated therein. The Permittee shall not be required to be a member of any non-profit organization or other business entity affiliated with the Task Force.
